## A Note from the President's Desk

### ALUMNI PRIDE

We recently began a series of 'alumni spotlights.' Visit our Facebook page to view these short videos.

Rich Harlow '62

John Schapman '01

Meridith Stein Dryden '08

A common thread of these spotlights is service to others. Kuemper's

curriculum has always made service a priority. I remember doing my 'service project' at Kuemper visiting St. Lawrence School tutoring younger students. I received a sense of fulfillment from this and I think it helped instill in me a duty to volunteer - from my U.S. Peace Corps days in Africa to serving today in my community and parish.

Kuemper's mission is first and foremost to graduate virtuous students - to create future saints serving others. When this happens, the rest will follow such as top academics and successful activities. We are proud that our students contribute thousands of service hours each year to the local community from their individual class requirements and also group projects, such as nursing home visits and food pantry drives. Our service learning even stretches internationally with our mission trip to Honduras giving our young Kuemper Knights defining experiences in life as they are inspired to continue to serve even more when they return.

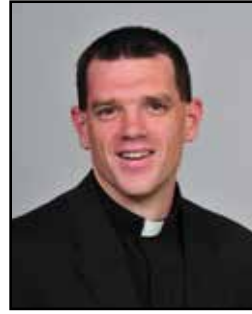

*When this happens, the rest will follow such as top academics and successful activities.*

I'm confident today's Kuemper graduates will continue that tradition of service rooted in our Catholic faith, creating more proud alumni spotlights for the future.

*We are Kuemper!*

## Kuemper Students Travel to the March for Life

One of my great joys in being able to serve as a chaplain of a Catholic school is seeing our students put their faith into action. Whether that's raking leaves for an elderly person, visiting the sick in the hospital or in a nursing facility, serving the poor and homeless, or simply observing an upper-classman helping a younger student with math homework, it's a joy to see the fruit of discipleship. It's important to understand that authentic Christian service doesn't entail discipleship,

but rather, comes from it. In other words, we don't become disciples of Jesus simply because we do good things for our fellow man. Rather, we do acts of service for others because we are disciples of Jesus.

No doubt, the greatest injustice, the greatest, most urgent matter of social justice of our day is the terrible scourge of abortion. Since the 1973 Roe vs. Wade decision, and its companion case, Doe vs. Bolton, an estimated 60 million unborn babies have lost their lives due to abortion. That's 60 million stories that will never be told. 60 million individuals who never had the opportunity to impact society for good.

Fortunately, there is an army of young people rising up against this tragedy. Our youth realize that it is their peers, their generation, who are not here because of Roe. This past January, 32 Kuemper students and six chaperones traveled to Washington, D.C. for the annual March for Life. They joined hundreds of thousands of others speaking out against this injustice. While there, they also took time to help serve the poor of Washington, D.C. in other concrete ways. As chaplain, to say that I am proud of these students would be a gross understatement!

We thank our Kuemper family for your many prayers and support before, during and after our pilgrimage to Washington D.C. for the March for Life this past January. I have every confidence that God is hearing them and answering them before our very eyes.

Fr. Patrick Behm | Kuemper Priest Chaplain

# Annual Alumni Phon-A-Thon Raises over \$200,000 for the first time since 2016!

**EACH AND EVERY GIFT IS TRULY APPRECIATED!**

**THANK YOU!**

The 2019 Annual Alumni Phon-a-Thon raised \$218,204, the third highest amount raised for the phon-a-thon since its inception. This is the first time since 2016 that the total raised was over \$200,000. Money raised through the phon-a-thon is used for critical needs of the school, teacher salary enhancement, departmental needs and student tuition assistance.

The success of the phon-a-thon can be attributed to the awesome volunteer force we have here at Kuemper!! We had 76 student volunteers and 76 adult volunteers over the five calling nights. Many of those volunteers assisted on more than one night. Several members of the Schreck family called one night, several members of the Class of 1970 called another night and lots of great people in between!! Adults and students had a great time working together on this successful project! Thank you!

Mary Beth feels she received a great education at Kuemper which prepared her to accomplish anything she wanted to. She was challenged through extra-curricular activities, and most importantly, she was given the opportunity to grow in faith at Kuemper. Todd and Mary Beth thank their parents for their dedication and sacrifice so they could attend Kuemper.

## Grades Change Buildings:

Over the summer of 2019 there was a whole lot of moving going on! Grades 4 and 5 moved to the St. Lawrence Center and grades 7 and 8 moved to the St. Angela Center, the top two floors of the Kuemper high school building. St. Lawrence Center teachers have expressed that the atmosphere of a

4-5-6 middle school is amazing! The engagement in Mass is very high by all students and it has helped the 6th graders remain kids one more year instead of trying to grow up too quickly. The 7th and 8th grade junior high students are now being introduced to the high school environment and are starting to have some of the high school teachers for Music, Band, Spanish and Algebra. The junior high students also get to join the high schoolers at Mass and for events such as the annual candle lighting service, Respect Life month activities, and the talent show. Another great benefit of the junior high students being in the high school building is that all 8th graders get to take a woods exploratory class and all 7th graders get to take a foods and nutrition exploratory class. *Ted Garringer, PK-8 Principal*

Last fall we toured Spain and Portugal including the Shrine at Fatima, where, while the Blessed Virgin did not appear to us, we did experience a miracle which was me maneuvering a five-speed, stick-shift, diesel-powered rental car from Madrid to Lisbon. As we have a daughter-in-law who was born in Morocco, Sue and I are headed there later this year. Perhaps I will be able to find "Rick's Bar" in Casablanca. Go Knights!

# Reunions

Longtime friends and Kuemper grads have enjoyed traveling the world together. Above left, Jacob Schultes '11, Matt Berg '11, Gabe Evans '12, David Hicks '12 and Brian Dentlinger '12 joined Nick Nurse '85 at a Raptors game in Toronto. Above right, Johnny Steffes '11, Matt Berg, Jacob Schultes, Brian Dentlinger and David Hicks are pictured holding a copy of the KnightLetter at Oktoberfest in Germany.

Even though the Carroll contingent was not able to travel to Minneapolis for the Raptors game against the Timberwolves because of a blizzard, over 30 Kuemper Alumni and friends attended the game and a post-game gathering with Nick Nurse. A great time was had by all!

## NEW REGULATIONS FOR IRA TAX BREAK

New regulations regarding Required Minimum Distributions (RMD) for IRAs went into effect on January 1, 2020. One major change is for anyone who turns 70½ after January 1, 2020. For those individuals that turn 70½

after January 1, 2020 the new age requirement for RMD's is now 72. If you reached age 70 ½ before January 1, 2020 these changes do not affect you and the former regulations still apply. As in the past you pay income tax on your IRA withdrawals. We have a solution for you.

The IRA Qualified Charitable Distributions have been extremely popular in recent years. Individuals 70½ years old are allowed to directly transfer up to \$100,000 in qualified charitable distributions from their IRAs without including the distribution in their federal or state income each year. These distributions must be made to qualified 501(c)3 organizations.

Transfers to the Kuemper Catholic School Foundation do qualify, as the Foundation is recognized as a 501(c)3 organization by the Internal Revenue Service. Your generous gifts make a large impact on the present and future of Kuemper which will enable us to continue our important work of educating the mind, body and soul of our students.

Contact your tax advisor and/or financial planner to determine how this law could affect your current individual income tax and/or your long-term estate planning situation.

## Teacher Salary Enhancement Fund

The Teacher Salary Enhancement Fund (TSEF) was established through the Kuemper Foundation in 2001

**Yes! I want to support the Teacher Salary Enhancement Fund**

to help narrow the salary gap between Kuemper and public school teachers. The TSEF also assists in hiring and retaining teachers in shortage areas. With your contribution, you can help say thank you to Kuemper's teachers and also help with recruitment and retention of committed, long-term educators. **The TSEF has recently surpassed the \$1,000,000 milestone.** Since 2010 over \$370,000 has been distributed in support of our dedicated teachers.

**Make checks payable to the Kuemper Catholic School Foundation.**

**21 with 20 years**

**Kuemper has 21 teachers who have each dedicated at least 20 years to Kuemper.**
